Addition to AgriVenture Application Form

for AgriVenture PLUS Trainees only

Please complete this form, using black pen.

For the AgriVenture Plus Trainees, it is vital that we match up your education and experience with the correct placement. Please complete the following form, giving accurate details of your education and employment history, including contact details for your current employer, to the present day.

This information will be used to help us place you by matching your skills with our placement opportunities. This form will be sent to your potential Host Family and then we will use this information as a basis for a telephone interview with you prior to your placement being agreed.
